SECTION TWO K mart - KRESGE - JUPITER

SHIPPING INSTRUCTIONS

- 1. Section Two is to be used in conjunction with Sections One, Three and Four of this book, and with any Route Guide provided by K mart's Transportation Department. All suppliers must follow all instructions as shown below:
 - A. SUPPLIERS WITH "COLLECT" FREIGHT TERMS: follow all instructions in Sections Two and Three of this book and all Route Guides (both Direct to Store and Consolidation Route Guides) governing each of your shipping points.
 - 1) If your company does not have a Route Guide for each shipping point, you must obtain the Route Guides from: Transportation Department, Routing Section, Kmart Headquarters, 3100 West Big Beaver Road, Troy, Michigan 48084.
 - B. SUPPLIERS WITH "DELIVERED" OR "PREPAID" FREIGHT TERMS: follow all instructions in Section Two (except Paragraphs 9 and 10) and all of Section Three of this book. Refer to the Direct to Store Route Guide when selecting carriers as the utilization of these carriers will alleviate congestion at K mart facilities which will in turn speed up the process of getting your company's merchandise into the chain of sales.
 - C. NEW STORE ORDERS: For instructions on shipping to meet a specified Arrival Date on a New Store Purchase Order - shippers whose terms are:
 - 1) "Freight Prepaid Direct To Store" see Paragraphs 15, 16, 17 and 18 of this Section, as well as the Direct to Store Route Guide.
 - 2) "Freight Collect Direct To Store" see Paragraphs 15, 16, 17 and 18 of this Section, as well as the Direct To Store Route Guide.
 - 3) "Freight Collect Consolidation Route Guide" see Sections 7 and 8 of the Consolidation Route Guide.
- 2. Orders must be filled in order of dates received.
- 3. Record on every carton and Bill of Lading:
 - a) Receiving store number in bold print.
 - b) Full store address including zip code (as shown in Section One of this book).
 - c) K mart buying department number.
 - d) Complete nine-digit K mart Purchase Order number or range.
 - e) Number of cartons.
 - f) Weight of shipment.
 - g) Name of shipper and point of origin including zip code.
 - h) The commodity description as per National Motor Freight Classification should be given on the Bill of Lading.
 - i) The ad date should also be indentified as such and written on all cartons and labels for Check Off Sheet merchandise.
- 4. A packing slip, which includes all invoice information, except cost extensions, must also be attached to the outside of one of the cartons.

SECTION TWO - SHIPPING INSTRUCTIONS (CONT'D.)

- Request that the carrier write the complete nine digit K mart Purchase Order Number on the freight bill. This will help reduce non-delivery claims filed against your company.
- 6. Merchandise samples must not be sent to any store except at the request of the K mart Senior Buyer, who will give a selected list of stores to receive samples.
- When FIBERBOARD CONTAINERS are used, they must comply with the requirements of the Governing Freight Classification and the appropriate notation must be shown on the Bill of Lading.
- Packages shipped via UPS (United Parcel Service) should be wrapped in heavy wrapping paper or packed in paper cartons. Do not use heavy wooden cases.
- 9. DO NOT SHOW A DECLARED VALUE ON UPS SHIPMENTS, REGARDLESS OF THE COST OF THE MERCHANDISE UNLESS AUTHORIZED.
- 10. PARCEL POST INSURANCE: INSURE ONLY WHEN INVOICE VALUE OF SHIPMENT EXCEEDS \$100. DO NOT INSURE OTHER SHIPMENTS OR OBTAIN "PROOF OF FORWARDING" RECEIPT UNLESS AT YOUR OWN EXPENSE. INCLUDE ZIP CODE IN ADDRESS ON CARTON.
- MERCHANDISE CANCELLATION DATE ON PURCHASE ORDER MUST BE HONORED. NO EXCEPTIONS ARE MADE.
- PUERTO RICO STORES: Ship according to instructions in Direct to Store Route Guide or Consolidation Route Guide.
- 13. Freight shipments must carry proper commodity classification description. Ratings subject to released or actual value must be accurately described, but where optional classifications are shown, please waybill at the lowest released value to protect the lowest rating.
- 14. SHIPPER'S CHECK LIST. K mart asks your cooperation in reducing freight loss and damage to merchandise. Have you:
- 1) Properly described merchandise on Bill of Lading according to carrier classifications?
- 2) Properly waybilled the shipments as per exact addresses contained in Section One of this book, including zip code?
- 3) Properly packed and protected merchandise to withstand ordinary handling?
 - 4) Securely sealed cartons?
 - 5) Properly marked all cartons in full accordance with either Route Guide or Section Three of this book?
 - 6) Put protective labels on cartons containing fragile merchandise? "Glass;" "Handle With Care;" etc.
 - 7) Received a Bill of Lading signed in full, indentifying the originating carrier as well as his agent? Abbreviations or initials are not acceptable.
 - 8) Shown the correct weight of the merchandise? Don't guess. Be accurate.
 - 9) Received a stamped receipt covering local deliveries to stores or Consolidators by your own truck or cartage representatives? Be certain that you receive a copy of the delivery receipt stamped with the store's or Consolidator's receiving stamp. This is the best evidence of delivery and will save your company time and effort in the event of nondelivery claims.

15. DIRECT TO STORE SHIPPING INSTRUCTIONS: Where Purchase Order refers to "Direct to Store" or "DTS" you must follow instructions contained in Direct to Store Route Guide. See Mileage Charge on page 71 of this book to determine when shipment should be released in order to meet Merchandise Arrival Date on Purchase Order.

16. NEW STORE SHIPPING INSTRUCTIONS

- A. New Store Orders will have a "Return Apron to Buyer" asking: date shipped? via what carrier? Please cooperate and return Apron to Buyer.
- B. The New Store shipping instructions are important. Merchandise must arrive when the store is ready to receive not before. Suppliers that ship in advance cause additional storage charges, (chargebacks will be issued to cover all expenses) possibility of lost shipments unnecessary tracing etc. Keep your shipping department posted on the importance of following these instructions.
- C. Whenever a New Store Purchase Order specifies "Direct to Store," follow the instructions in Paragraphs 17 and 18 on timing of shipments to the New Store in order to meet the Merchandise Arrival Date on the Purchase Order.
- 17. MERCHANDISE ARRIVAL DATES: THE MERCHANDISE ARRIVAL DATE will be shown on the Purchase Order as "Merchandise must be in store on _______ but not to arrive before ______ but not to arrive before ______ but not to arrive before ______ but not concerned. The merchandise must arrive at the store not MORE THAN ONE WEEK BEFORE THE SCHEDULED ARRIVAL DATE for Return Sheet, Call-to-Orders and General Orders. Check-Off Sheet merchandise must arrive in the store two weeks before the event date but not earlier than four weeks before the event date. If merchandise arrives at the store before the Arrival Dates, you will be charged 7½% of the total invoice amount for handling and storage. See Mileage Chart and Paragraph 18 to determine when to release shipments. Date all invoices not more than 15 days prior to the Arrival Date on Purchase Order.
- 18. MILEAGE CHART: The mileage chart, on page 71, is based on approximate transit time from shipper to each store. When shipping via UPS, Parcel Post, or Truck, allow the number of days designated for the distance involved to the respective store in order to assure that the merchandise will arrive at the store on Merchandise Arrival Date. The ship date will be determined by the number of working days figured prior to the first date that merchandise may arrive at the store (the first Merchandise Arrival Date).
